Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Freeman Bros.

Nature needs only a Little Early Riser now and then to keep the bowels clean, the liver active, and the system free from bile, head aches, constipation, etc. The famous little pills "Early Risers" are pleasant in effect and perfect in action. They never gripe or sicken, but tone and strengthen the liver and kidneys. Sold by Freeman Bros.

"All that run may read!"

From a given amount of wood the
WILSON HEATER
with the Hot Blast Down-Draft will produce twice as much heat as any other. It is because the Down-Draft consumes all the fuel and the gases which arise from it, whereas in other heaters the gases, which constitute one-half the burnable part of the fuel, escape unburned up the chimney. You can start a fire in ten minutes and hold it for 36 hours.
Remember, it is fuel cost which counts.
The Wilson saves one-half your fuel bill.
